

WELCOME TO MEZZANOTTE

And welcome to our world of wines. We believe to be the most aggressive restaurant marketer of wines in Houston. Our extensive wine list is priced at very affordable levels with the objective that our guests have the opportunity to try world class wines without having to spend a fortune.

Our focus is relatively narrow as we primarily showcase wines from Argentina, California, Italy and Spain. Even though we are not fanatics of the rating system established by The Wine Advocate, Wine Spectator, Stephen Tanzer and others, we believe that including individual wine ratings (when applicable) helps in the process of selecting a wine.

Please take your time in making your selection and ask any questions you may have. We are also very happy to suggest appropriate food pairings.

Cheers!
